

Making of the Contemporary World
End-Semester Exam
28th April 2025

Time: 3 hours

In all answers, refer where relevant to historical experiences discussed in class and in the prescribed readings to illustrate and support your arguments.

1. Do you think inequality is an accidental outcome of Capitalism or a structural feature of it? Justify. (5 marks, 200-300 words)
2. Answer **EACH** of the questions given below in not more than **600 words** (3*10 marks)
 - a. How did industrialization transform the nature of work and labour relations, and to what extent do these transformations continue to shape the contemporary world?
 - b. What economic and institutional factors contributed to the rise of the postwar Golden Age of Capitalism, and what explains its eventual breakdown?
 - c. What are the defining features of contemporary Capitalism, and what major challenges does it face today in the developed and developing countries?
